Pentecost Again!

Third Pentecost Symposium

Just as the Holy Spirit fell on the Day of Pentecost in Acts 2 birthing the New Testament Church, and at Azusa Street giving rise to Pentecostal movements, we are asking the Lord to do it again—a “Third Pentecost.” We are at a strategic time in Pentecostal history. A century ago, with the Azusa Street Revival, Pentecost ignited the West Coast of the USA and spread eastward throughout America and around the world. Many Pentecostal denominations and movements trace their roots back to the twentieth century. Now, more than 100 years from our introduction, more than 650 million have embraced the experience of the baptism in the Holy Spirit. This week, we are praying for powerful Pentecostal worship services, anointed messages, insightful forums about faithfully embracing our Pentecostal faith in life, evangelism, and ministry. May this Symposium be a catalyst for a 21st century outpouring of the Holy Spirit—*Pentecost Again!*
